ABI-2006-AG-BL

ABI-2006-AG-WH

DESCRIPTION

The Abigail Collection features tiered, curved panels of thick, hand-applied art glass arranged in a sculptural silhouette. Each textured glass piece is mounted to a structured metal frame and carefully shaped to diffuse light while adding depth and dimension. Whether illuminated or not, it serves as an artistic focal point - its layered form and artisanal materials creating visual impact from every angle. With handcrafted detailing and a bold, statement-making profile, the collection suits both contemporary and transitional interiors.
