DESCRIPTION

The Esme collection is a modern take on the iconic Sputnik design, blending vintage sophistication with a fresh, dynamic twist. Its array of brass rods extend outwards, culminating in hand-blown art glass shaped like delicate flower petals. This striking piece transforms a room, offering a different visual experience whether it's illuminated or not - sophisticated and bold when off, subtly whimsical and glowing with warmth when on. Esme's timeless charm and playful elegance stand out in any space.
