ORS-738-MG

DESCRIPTION

The Orson Collection is now available with either exquisite alabaster stone detail or jeweled crystal. Crafted from natural stone with distinctive veining patterns, these oversized discs emit a soft, downward light that bathes your surroundings in an organic, tranquil ambiance. At the same time, the open-top design allows for an elegant upward light flow. The eye-catching thick banded metal frame elegantly wraps around the alabaster stone or crystal, ensuring a unique and captivating look.
