STILETTO

2346.16-J20

Sonneman

Designed as an extension of modern architecture, the Stiletto family features a sleek rectilinear bar supporting a powerful LED. The metal frames are flush with the opaque shades, creating a graphic juxtaposition. In the sconce format, the backplate curves inwards, adding a distinctive detail. Stiletto is available as a pendant in five sizes and a bath and vanity sconce in two sizes. Finish options include Satin White, Bright Satin Aluminum, and Satin Black.
